

Product Migration - 9113-0-0 to 9113-1-0

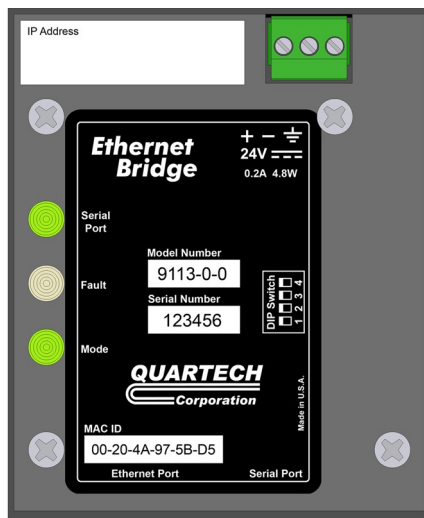

Functionality...

The 9113-1-0 is functionally equivalent to the 9113-0-0 and **will not require** any changes to your PLC program or drive configuration.

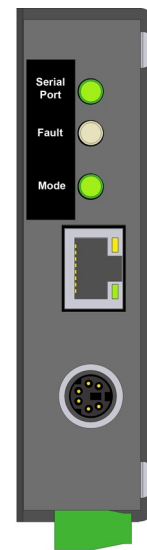

Mechanical...

The 9113-0-0 and 9113-1-0 are approximately the same size and both mount to a DIN rail, however, the 9113-0-0 requires more panel real estate. In general, the 9113-1-0 should fit where a 9113-0-0 is designed to fit.

The product comparison is shown to scale

9113-0-0

9113-1-0

Configuration...

With the 9113-0-0 configuration options and static IP assignment were implemented using dedicated software utilities. The 9113-1-0 includes a built-in web server that allows configuration via a web browser such as Internet Explorer.
